## Additional Graduation Requirements

### 1) EXPERIENTIAL INTERNSHIP COURSE - INT 599

The Experiential Internship Course at CiAM incorporates experiential learning into CiAM's MBA. The course involves bringing the work environment into the academic setting of the MBA program. As such, each student must register for and complete at least one term of internship during the MBA program. The internship, employment, or volunteer position must be relevant to the MBA Degree Program and can be paid or unpaid; Full-Time or Part-Time. A total of at least 45 hours is required during the one term registration occurs. International students will need CPT authorization to take this course. Evaluation: Pass/No Pass

### 2) CAPSTONE GRADUATION REQUIREMENT

The capstone graduation requirement is an individual consulting project that must be completed during MGT511 *with a presentation required on the last day of the course*. The capstone substitutes for the group consulting component of that course and is graded by the faculty member teaching the course. The capstone is designed to highlight the student's individual capacity to perform a significant individual consulting at the MBA level, and thus, complements the consulting projects completed in the other courses. It is the responsibility of the student to acquire their own client for the capstone course. A student must plan with enough time to acquire a client and submit the capstone application form with required signatures by the end of their 10th course.
